## SERVICE PROGRAM AWARDS

Each year, the Service Program Awards competition recognizes those councils conducting outstanding projects in each of the five divisions of the Service Program: Church Activity, Community Activity, Council Activity, Family Activity and Youth Activity.

### STATE-WIDE COMPETITION

Each individual jurisdiction will be responsible for selecting the single best Church, Community, Council, Family and Youth activity program conducted by an individual council in the twelve month period between the state conventions. Those councils competing for the state award must submit to the state judging team a complete report which explains the specific activity: purpose, amount of participation, success of program, publicity, time expended, effectiveness, etc. Photographs, news clippings and a scrapbook can be included along with the written report.

The State Deputy and his committee will be responsible for selecting the single best Church, Community, Council, Family and Youth activity program sponsored within his jurisdiction. State winners will be announced at the annual convention of the State Council. Attractive plaques will be supplied by Supreme for the State winners.

### PURPOSE

In addition to the purposes previously explained, the program should offer added incentive for councils in each jurisdiction to promote new, exciting and relevant programs. The reports submitted to the Supreme Council will also aid in promoting new and different programs in the **Program Supplement** and **Columbia Magazine**.

### SUGGESTED GUIDELINES

Listed below are suggested guidelines for use by the State Deputy and State Council committee members responsible for conducting the contest within the jurisdiction. The State Deputy has the final decision regarding the manner in which the contest will be conducted. Whatever techniques are employed, the end result for each State must be the same: the selection of the single best Church, Community, Council, Family and Youth activity program conducted by a council.

It is suggested that careful consideration be given to the status of "repeat winners" in the awards contest. For instance, it is not advisable for a council to select the same activity two or three years in succession for submission to State.

**Remember...** the award is based upon a **single**

project or activity conducted by the council in the twelve month period between the state conventions. It is not based upon a series or accumulation of activities in a particular section of the Service Program.

International first place finishers in any Service Program area of the Supreme Council competition cannot enter the same project in subsequent years. Councils may be repeat winners for different projects, but the same project will not be chosen as an international winner more than once.

To determine under which program the project or activity should be entered, consult the organizational chart in the "Surge... with Service" program manual. This should provide some answers, or, ask this question: "Who benefited most from the program?" If a fund-raiser was conducted to build a new parish hall, it's a "**CHURCH**" activity. If the council members formed a bowling league to promote fraternalism, it's a "**COUNCIL**" activity. If you need help in determining the proper category, contact the Manitoba State Program Director.

### BASIS FOR JUDGING:

- **Nature of the activity:** Does it demonstrate the objectives of the Service Program - Catholic, family, fraternal, service?
- **Participation of membership in project:** How many members participated? What percentage of the entire membership participated?
- **Results:** What were the benefits derived from sponsorship of the project? How did the results affect the church, community, council, family or youth?
- **Program originality:** Was the program something new?
- **Committee planning:** How effectively was the program organized? How much detail was involved in staging the event?
- **Designation of responsibility:** How many members served as workers, planners? What type of organization was established for the implementation of the project?
- **Publicity:** How effective was the program publicized throughout the area - radio and television, local and diocesan newspapers, council newsletters?

**NOTE:** Since a Columbian Squires Circle reflects credit on its sponsoring council, the Knights of Columbus council might wish to use one of the outstanding Squire activities of the year as its "youth activity" entry in the competition.

## SERVICE PROGRAM AWARDS

Select best program developed by the council in each of the five (5) activities:

**CHURCH -**  
**COMMUNITY -**  
**COUNCIL -**  
**FAMILY -**  
**YOUTH -**

- Write history of activity by giving all the details requested.
- Only one (1) activity shall be submitted per form.
- Pictures, newspaper clippings, publicity, etc... should be attached with your submission.
- Submissions are based on fiscal year rather than calendar year or columbian year, that is **April 16 to April 15 of the following year.**

Manitoba State Council Service Program Award forms should be completed in **duplicate**.

- a. Original should be forwarded to Manitoba State Council. They will forward a copy to the District Deputy.
- b. Copy to be retained in council historical files.

**NOTE:** Unless item (a) is complied with, your submission cannot be considered for an award.

+++++

## PROFICIENCY AWARDS

Two level competitions -

**Large Council** - (over 100 members)

**Small Council** - (less than 100 members)

The results of your Monthly Report to the District Deputy will determine the winners of the Proficiency Awards.

## YEAR BOOK CONTEST

Manitoba State Council invites your participation in the Year Book Contest. Councils in the jurisdiction are to prepare a **Year Book** based on activities during the current Columbian Year. Your council Year Book should consist of photos of events and a small write-up explaining the events. Include any newspaper articles pertaining to these events, if you were fortunate enough to receive newspaper coverage.

*The Year Book should be assembled as follows:*

- on the first page, indicate the year, the council's name and number, council address (plus the Parish or Town that you represent.
- on subsequent pages, indicate a description of the activity or project that your council held (since the last convention) and include photos.

Council **Year Books** are to be forwarded to the District Deputy prior to the Convention or turned in at the State Office on or before Friday, April 25, 2008.

Judging will be done on the Friday afternoon of the convention by the District Deputies' and State Officers' wives. They will then be displayed during the convention. The winning entry will receive the "Eugene Cherwick Award".

Recording your activities during the year will not only keep your members informed but will also serve to preserve the history of your council. All entries will be returned to you for your council's archives. This is a good way to show your Brother Knights your council's involvement. Please get busy compiling your **Year Book** and good luck to all of you.

*Même si la feuille est en anglais,  
vous pouvez soumettre vos rapports en  
français si vous le désirez.*
